

Day 3 itinerary

Dong Van to Ha Giang

Breakfast & Lunch

Finish at Ha Giang Safari Hostel

Dong Van Town

Start with a homemade breakfast prepared by the homestay, served with your choice of coffee or tea. Pack your bag and get ready to head out for the last day of your tour!

Ma Pi Leng Pass

Ask anyone who has done the Ha Giang Loop what their single most breathtaking moment was, and chances are they'll say Ma Pi Leng. Widely regarded as the most spectacular pass in all of Vietnam, Ma Pi Leng is the crown jewel of the loop - a dramatic stretch of road carved into sheer limestone cliffs that plunges down to the brilliant turquoise waters of the Nho Que River snaking through the canyon far below. Towering karst peaks rise on all sides, and a stop at the main viewpoint gives you a few minutes to take it all in.

Boat Ride on Nho Que River

After taking in the views from above at Ma Pi Leng, descend to the banks of the Nho Que River to experience its famous turquoise waters up close. Board a traditional boat and cruise along the river, surrounded by towering limestone cliffs that rise dramatically on either side - a completely different and equally stunning perspective of the landscape. The boat cruise is included in your tour price.

Meo Vac & Mau Due

The journey continues deeper into some of the most remote and rarely seen corners of Ha Giang Province. Riding through distant villages and rugged terrain, you'll catch an authentic glimpse of everyday life in rural Vietnam - isolated communities, traditional houses, and a pace of life far removed from the modern world. Pass through the bustling market town of Meo Vac before continuing on to the quiet village of Mau Due for lunch (included in your tour) at a local Vietnamese restaurant.

Yen Minh

Continue through Yen Minh after Mau Due as the return journey unfolds. Enjoy the changing scenery along the way and another chapter of the Loop before heading towards Thuan Hoa.

Thuan Hoa

Travel via Thuan Hoa on the final part of your route back to Ha Giang. Take in the last views of the journey before returning to Ha Giang Safari Hostel.

Ha Giang Safari Hostel

The final stretch of the loop brings one last taste of Ha Giang's magic - a cruising ride back through the winding mountain roads, passing through quiet villages and sweeping landscapes. Arrive back at Ha Giang Safari Hostel around 4:30-5:00pm. Freshen up with a shower, grab a coffee or tea, and help yourself to some snacks while you rest your legs. Play some games, swap stories, and take your time saying goodbye to your Easy Rider guides. When you're ready, the hostel is perfectly placed to get you to your next bus or onward destination.

Note: Routes may be subject to change due to road conditions and weather. Homestay locations may vary depending on availability, but the quality of stay remains high.
