Breakfast, Lunch & Dinner

Dong Van Homestay (Honey Homestay)

Yen Minh

Start with a homemade breakfast prepared by the homestay, served with your choice of coffee or tea. Pack your bag and get ready to head out for another incredible day on the loop!

Tham Ma Pass

One of the most photographed spots on the entire Ha Giang Loop, Tham Ma Pass is a must-stop on Day 2. The iconic S-curve road snaking through the mountains makes for an unforgettable photo. Take a few minutes to grab a coffee from a local stall, breathe in the mountain air, and soak in the sweeping views stretching across the valleys below. H'Mong locals are often found here in their traditional dress, and souvenirs are available.

H'Mong King Palace (Vuong Palace)

Step back in time with a visit to Vuong Palace, the magnificent former residence of H'Mong King Vuong Duc Chinh and his son Vuong Chi Sinh. Built in the early 20th century and blending Vietnamese, Chinese, and H'Mong architectural styles, the palace is a fascinating window into the history and culture of the highland people who once ruled this remote corner of Vietnam. Your Easy Rider guide will introduce the story and the significance of the palace. Entrance is included in your tour package.

Lang Lo Lo Chai Village

Lang Lo Lo Chai is one of the most authentic villages on the entire loop. Home to the Lo Lo ethnic minority community, the village is a peaceful escape with traditional stone houses, terraced fields, and a way of life that has remained largely unchanged for generations. Sit down to a hearty family-style lunch with local flavors before taking some time to wander the village lanes, get a coffee, and soak in the atmosphere. Lunch is included in your tour package.

Lung Cu Flagpoint

One of the most iconic stops on the Ha Giang Loop, Lung Cu Flag Tower sits at the northernmost point of Vietnam, perched high on Dragon Mountain just a stone's throw from the Chinese border. Climbing up the stone steps rewards you with one of the most breathtaking and patriotic views in the entire country - Vietnam's giant national flag flying proudly overhead against a vast panorama of mountains and valleys stretching in every direction. The tower itself is built in the shape of a dragon's head. Entrance is included in your tour package.

Dong Van Town

As the afternoon light fades, your Easy Rider guides you into the charming old town of Dong Van - one of the most atmospheric stops on the entire loop. Dinner is family-style, included in your tour price. In the cooler winter months, warm up with a steaming hotpot shared around the table. If your trip falls on a weekend, Dong Van's famous night market comes alive in the evening, drawing locals and travelers alike for a lively spread of street food, local produce, and highland culture.

Note: Routes may be subject to change due to road conditions and weather. Homestay locations may vary depending on availability, but the quality of stay remains high.
