

Day 3 itinerary

Dong Van to Du Gia

Breakfast, Lunch & Dinner

Du Gia Homestay

Dong Van Town

Start with a homemade breakfast prepared by the homestay, served with your choice of coffee or tea. Pack your bag and get ready to head out for another incredible day on the loop!

Ma Pi Leng Pass

Ask anyone who has done the Ha Giang Loop what their single most breathtaking moment was, and chances are they'll say Ma Pi Leng. Widely regarded as the most spectacular pass in all of Vietnam, Ma Pi Leng is the crown jewel of the loop - a dramatic stretch of road carved into sheer limestone cliffs that plunges down to the brilliant turquoise waters of the Nho Que River snaking through the canyon far below. Towering karst peaks rise on all sides, and a stop at the main viewpoint gives you a few minutes to take it all in.

Boat Ride on Nho Que River

After taking in the views from above at Ma Pi Leng, descend to the banks of the Nho Que River to experience its famous turquoise waters up close. Board a traditional boat and cruise along the river, surrounded by towering limestone cliffs that rise dramatically on either side - a completely different and equally stunning perspective of the landscape. The boat cruise is included in your tour price.

Meo Vac & Mau Due

The journey continues deeper into some of the most remote and rarely seen corners of Ha Giang Province. Riding through distant villages and rugged terrain, you'll catch an authentic glimpse of everyday life in rural Vietnam. Pass through the bustling market town of Meo Vac before continuing on to the quiet village of Mau Due for lunch (included in your tour) at a local Vietnamese restaurant.

Du Gia Village

Spend your final night in the peaceful village of Du Gia, a quiet farming community surrounded by rice fields and limestone mountains, offering a relaxing end to your Ha Giang Loop adventure. Unwind at your homestay with its swimming pool, pool table, karaoke, and one of the best family-style dinners on the tour before enjoying your last evening with your group and Easy Riders. Drinking water is unlimited, so feel free to ask the homestay staff for a refill anytime.

Note: Routes may be subject to change due to road conditions and weather. Homestay locations may vary depending on availability, but the quality of stay remains high.
